

AGE OF UNION

MEDIA ALERT:

Age of Union's Dax Dasilva to Host Press Conference Announcing a New Conservation Project with Junglekeepers

WHAT: At [COP15's Business and Biodiversity Forum](#), Age of Union Alliance led by Dax Dasilva will host a press conference to announce a major pledge to [Junglekeepers](#) over five years. As one of the alliance's first environmental NGO partners, Junglekeepers works to protect the Las Piedras River located in the Peruvian "capital of biodiversity" Madre de Dios in southeastern Peru. As part of the Amazon Basin, this area hosts a pristine rainforest with some of the world's most rich and complex biodiverse ecosystems. This will expand Age of Union's 2021 investment and allow Junglekeepers to create a protected corridor along the river in partnership with other local conservationists and indigenous communities.

WHO:

- **Live speaking remarks from Dax Dasilva**, Founder, Age of Union Alliance; Founder and Executive Chair, Lightspeed Commerce Inc.
- **NOW IN PERSON: Paul Rosolie**, Founder and Field Director, Junglekeepers

WHEN: Monday, December 12, 2022 at 2:00 - 2:30 PM EST

WHERE: Media Center on the 2nd floor in room 220D, Montreal Convention Centre (Palais des Congrès de Montréal), 1001 Pl. Jean-Paul-Riopelle, Montréal, QC H2Z 1H5

**Please note only accredited media can attend in person. Unaccredited media are welcome to watch the live webcast through this link: <https://www.youtube.com/@cbd-live9013>*

FOR ALL MEDIA INQUIRIES, PLEASE CONTACT: VICTORIA BAKER AT VICTORIAB@NKPR.NET, 416-726-8002

About Age of Union Alliance

Age of Union is a non-profit environmental alliance that supports and makes visible a global community of changemakers working on the ground to protect the planet's threatened species and ecosystems. Launched in October 2021 by tech leader and environmental activist Dax Dasilva in Montreal, Canada with an initial \$40 million pledge, Age of Union seeks to ignite a flame within every person through conservation efforts that solve critical environmental challenges around the world and inspire high-impact change by showing the positive impact that every individual can make.
