Ani Dasgupta

President and CEO,
World Resources Institute

Ani Dasgupta is President and CEO of World Resources Institute, where he works to advance the institute's global vision to improve the lives of all people and ensure that nature can thrive. He took the helm at WRI after seven years as Global Director of WRI Ross Center for Sustainable Cities, which is dedicated to shaping a future where cities work better for all people. He developed his expertise in positions ranging from non-profits in India to the World Bank. A widely recognized leader in the areas of sustainable cities, poverty alleviation, and building cultures of inclusion, Dasgupta has a history of building strong cross-sector, multi-national coalitions with governments, corporations, and civil society.
