Anita de Horde

Co-founder, Finance for Biodiversity Foundation

Anita initiated the Finance for Biodiversity Pledge and co-leads the overall coordination and activities of the Foundation. Anita has over 20 years' experience in sustainability. The last 10 years she worked in the financial sector, first as a sustainable finance manager for a Dutch banking and insurance group and later as a consultant for different other banks, insurers, an asset manager, and an impact investor. She initiated several financial sector wide commitments and initiatives on climate change before she started to work on biodiversity.
