Gladys Naylor

*Head of Sustainable Development,
MONDI*

Gladys Naylor is Mondi's Group Head of Sustainable Development. Throughout her career, spanning more than 20 years in corporate sustainability, she has been inspired by the opportunities to achieve positive outcomes both for the environment and for people.

She is passionate about taking action on nature and protecting biodiversity. She leads Mondi's work across all sustainability topics ranging from developing sustainable packaging solutions that contribute to a circular economy, forest management and responsible procurement, to social sustainability and human rights. Her focus is to support improvements in the sustainability performance of Mondi's operations.

Gladys has led the development and implementation of sustainability commitments across global operations, including defining roadmaps for delivering net zero commitments and integrating sustainability considerations into decision-making.
