<https://www.linkedin.com/in/irina-likhachova-81731b12/>

Irina is a global lead for Biodiversity Finance at IFC, member of the World Bank Group. She is leading market research and development of biodiversity finance business and products to incentivize private sector investment in nature-based solutions and projects with biodiversity co-benefits across emerging markets. Ms. Likhachova led the development of the Biodiversity Finance Reference Guide that identifies investment activities that help address key drivers of biodiversity loss and help protect, maintain or enhance biodiversity and ecosystem services.

Ms. Likhachova is a contributing author to the World Bank Group reports “Mobilizing Private Finance for Nature,” “Unlocking Nature-Smart Development: an Approach Paper on Biodiversity and Ecosystem Services,” and “World Bank Group Climate Change Action Plan 2021-2025: Supporting Green, Resilient, and Inclusive Development.” She represents IFC in the multistakeholder process - the Taskforce on Nature-related Financial Disclosures (TNFD) - to develop a risk management and disclosure framework for organizations to report and act on evolving nature-related risks.
