Jan Erik Saugestad
Chief Executive Officer
Storebrand Asset Management

Jan Erik Saugestad is CEO of Storebrand Asset Management, a highly regarded player in the Nordic markets and a pioneer in the field of sustainable investments. Storebrand Asset Management manage over NOK 1 000 bn in both private and public markets and all assets are managed accordance with a strict and innovative strategy for sustainable investments.

Mr Saugestad is a highly respected advocate for sustainable investments. His visionary approach on sustainable investments and a more sustainable society combined with in depth knowledge of financial markets has made him a very sought after panelist and speaker. Sustainable investments is to him not an option nor is it a compromise, it is the only way to do business to secure a future for all while providing a return on investments. Value beyond return.

Mr. Saugestad has broad and deep asset management experience and knowledge gained over the years holding high profile positions within the industry in companies such as Nordea, Handelsbanken and McKinsey. He holds a degree in Master of Science at NTNU in Norway and an MBA from INSEAD in France.

Prior to his current role as CEO of Storebrand Asset Management, Mr. Saugestad was the Chief Investment Officer and Head of Asset allocation.
