Tony Goldner

Executive Director, TNFD

Tony Goldner currently works as TNFD's Executive Director, and has been working at the intersection of finance, sustainable development and diplomacy for over two decades. Prior to joining TNFD, Tony was an adviser to government, financial sector and philanthropic leaders on a range of sustainable development challenges, including as a Senior Adviser with the World Bank Group.

As a Partner at Monitor Deloitte, Tony led the development of national reform strategies and advised on the design of governance arrangements and performance management frameworks aligned to the SDGs. He was a senior member of Monitor Group's global public sector advisory practice, has advised Fortune 500 US companies on their sustainability strategy and co-authored a seminal 2008 report on the investment behavior of Sovereign Wealth Funds. In his early career, Tony worked in infrastructure development, corporate finance, and the foreign service in Australia.
