

# 22

## ACTIONS FOR BIODIVERSITY BY BUSINESSES

**22 MAY**  
INTERNATIONAL DAY FOR BIODIVERSITY

From Agreement to Action:  
Build Back Biodiversity

- 1 Take steps to preserve and create spaces for wildlife
- 2 Endorse environmental causes
- 3 Adopt a sustainable energy management system
- 4 Choose eco-friendly packaging options
- 5 Source raw materials from local & eco-friendly suppliers
- 6 Stop the spread of invasive alien species
- 7 Reduce and eliminate waste generation
- 8 Assess the carbon footprint of each of your products
- 9 Encourage employees to choose greener alternatives
- 10 Choose sustainable options for storage and warehousing
- 11 Manage your water footprint
- 12 Foster urban biodiversity
- 13 Learn about sustainability and biodiversity
- 14 Choose business partners that share your sustainability goals
- 15 Encourage other businesses and business partners to act responsibly
- 16 Educate customers about greener alternatives
- 17 Create a healthier work environment
- 18 Support & follow the decisions of CBD's business engagement programme
- 19 If you host events, host sustainable ones
- 20 Raise awareness on biodiversity conservation
- 21 Research and innovate
- 22 Celebrate Biodiversity Day!
